

Job Description: Web Developer

Larche Digital is expanding and looking to add a highly-motivated Web Developer to our team of thinkers, builders, and marketers! This is a permanent, full-time position. Candidates should be prepared to begin work quickly following the final interview.

The ideal candidate will possess the requirements outlined below as well as an enthusiasm for client-centric solutions, the ability to excel and contribute in a team environment, and meet multiple deadlines.

Please review the required skills and responsibilities carefully before submitting your application:

Required Skills

- Web Development Experience coding HTML5, CSS, jQuery, JavaScript, Bootstrap, and API's
- Experience implementing WCAG 2.0 levels A, AA
- Skilled PHP and MySQL developer with high proficiency in: responsive and adaptive development, Shopify, WordPress theme and plugin development
- Ability to convert PSD mockups into HTML and CSS
- Understanding of how web applications work and best development practices
- Adequate knowledge of web application development
- Knowledge of Search Engine Optimisation processes
- Strong written and verbal communication skills
- Strong analytical, problem solving, and debugging skills

Responsibilities

- Responsible for the development and maintenance of client websites
- Create and maintain appropriate tools to evolve and grow the digital business
- Manage multiple deadlines and provide strategic initiatives and solutions
- Effectively communicate with internal and external team members
- Effectively communicate with clients to identify needs and evaluate alternative solutions
- Commit to ongoing learning. Larche Digital is prepared to provide assistance upon mutual agreement of the proposed curriculum.

Qualifications and Experience

- Minimum of 2 years of web development experience
- BS in computer science or a related field

Word Environment

- Open-concept office environment
- Monday through Friday, 9AM – 5PM
- Salary negotiated at time of hiring. Benefits included.

If you fulfill requirements outlined above and would like to work for a forward-thinking digital agency, in one of Ontario's fastest growing cities, we'd love to hear from you!

Please email applications to hire@larchdigital.com.
